 - Improve Harbor Infrastructure
 - Improve Resource Management of Fish
 - Strengthen Legislative Advocacy
- Strategic Initiatives led by Sand Point:
 - Improved Public Safety and Infrastructure

Improve Harbor Infrastructure

- Acquire funding for New Harbor
- Design and installation for New Harbor
 - Floats
 - Electricity
 - Centralized Harbor House

Sand Point
Borough Supported

Improve Resource Management of Fish

- Hire subject matter expertise for AEB
- Coordinate and align efforts AEB-wide
- Legal advocacy and action
- Fight for AEB membership on all fishery resource organization Boards and Commissions
- Organize grass-roots efforts with local fisherman
- Fund local community participation at all meetings of fishery resource organization Boards and Commissions

Sand Point
Borough Supported

Strengthen Legislative Advocacy

- Support positive resource advocacy
 - Fisheries
 - Education
 - Health
 - Economy
 - Minerals
- Fight for AEB resource allocation
- Fight for strong resource management funding
- Advocate for stable fiscal plan
- Advocate for stable and predictable funding for education and health care
- Advocate for stronger public safety laws

Sand Point
Borough Supported

Improve Public Safety and Infrastructure

- Acquire funding for centralized public safety building
 - Stable police force
 - Stable EMS
 - Stable fire department
- Maintenance and replacement of equipment
- Coordination between multiple entities (tribes, city, borough)
- Coordinated effort for treatment, education, support, and enforcement for substance abuse
