Justine Gundersen, Nelson Lagoon	Present

A quorum was present.

Staff Present:

Rick Gifford, Administrator  
Roxann Newman, Finance Director  
Anne Bailey, Community Development Coordinator  
Ernie Weiss, Resource Director  
Linda Mack, Administrative Clerk  
Tina Anderson, Clerk

Adoption of Agenda:

MOTION

Alvin moved to adopt the agenda and second by Brenda. There were no objections,  
MOTION PASSED.

Community Roll Call and Public Comment on Agenda Items:

False Pass, King Cove, Cold Bay, Akutan, Sand Point and the Anchorage office were participating.

City of King Cove Mayor, Henry Mack, said the city submitted a donation request for the purchase of a drug dog, which will be on the Assembly May agenda under donation requests. He feels it would be a helpful tool we can use in King Cove and also have some positive effects in the AEB. The request is for \$25,000 and the AEB donation line item only has \$23,000. We feel it is an important step to help get a control of the illegal drug issue in King Cove and the community is trying to be proactive and hopes you can adjust that budget some.

City of False Pass Clerk/Bookkeeper, Chris Emrich, said it is important to receive AEB support of \$50,000 to cover the labor costs on the False Pass dock repair, which materials has already been ordered for.

Minutes, March 4 and March 24, 2014:

MOTION

Paul moved to approve the March 4 and March 24, 2014 Assembly Meeting Minutes and second by Alvin. Hearing no objections the minutes are approved as presented.

Joe said he did not receive notice of the March 24 Assembly meeting.

Financial Report, March 2014:

MOTION

Carol moved to approve the March Financial Report and second by Joe.

ROLL CALL

Alvin-yes, Carol-yes, Marvin-yes, Joe-yes, Brenda-yes, Paul-yes. Advisory: Justine-yes, Nikki-yes, Harold-yes. MOTION PASSED.

Investment Reports, March 2014:

In packet.

Resolution 14-17, Village of Nelson Lagoon Disaster Declaration:

MOTION

Joe moved to approve Resolution 14-17 and second by Carol.

DISCUSSION

The Administrator said Nelson Lagoon requested assistance from the AEB to address the sustained losses and threats to property and critical infrastructure from erosion caused by strong storm surges, changing climate, and wind and wave action. This resolution recognizes those damages are occurring and the request has come from the community. He will submit the disaster declaration to the State Division of Homeland Security & Emergency Management to see what they can do for this disaster.

Joe asked what will happen next to get the end results. The Administrator said hopefully the state will take a look at the issue and come up with some recommendations. He said, through a

grant, HDR is working on a project to come up with some recommended solutions and will have a public meeting May 12 in Nelson Lagoon. We will encourage the state to work with HDR recommended solutions and to come up with some numbers for a fix, if possible.

#### ROLL CALL

Paul-yes, Joe-yes, Brenda-yes, Carol-yes, Marvin-yes, Alvin-yes. Advisory: Nikki-yes, Justine-yes, Harold-yes. MOTION PASSED.

Introduction Ordinance 14-07, amending the FY14 budget:

#### MOTION

Alvin moved to approve and set for Public Hearing at the next Assembly meeting and second by Joe.

#### DISCUSSION

Paul reiterated his understanding that the Administrator will have a short memo to answer questions, for instance on Aleutia and there is a memo from the Finance Director regarding the changes.

#### ROLL CALL

Paul-yes, Alvin-yes, Marvin-yes, Carol-yes, Joe-yes, Brenda-yes. Advisory: Justine-yes, Nikki-yes, Harold-yes. MOTION PASSED.

Introduction Ordinance 14-08, approving the FY15 budget:

#### MOTION

Brenda moved to approve Ordinance 14-08 and set for Public Hearing at the next Assembly meeting and second by Joe.

#### DISCUSSION

Paul said he does not object to the budget getting amended to include the False Pass request for \$50,000 for their labor costs for the False Pass dock repairs. He requested information on the new position, the timeframe and discussion whether or not a contract position.

#### ROLL CALL

Brenda-yes, Marvin-yes, Carol-yes, Paul-yes, Joe-yes, Alvin-yes. Advisory: Harold-yes, Nikki-yes, Justine-yes. MOTION PASSED.

#### NEW BUSINESS

Fisheries Updates:

Resource Director Ernie Weiss and Fisheries Consultant Sam Cotten updated the Assembly during the workshop on the following issues:

- NPFMC proposed Gulf of Alaska (GOA) Trawl Bycatch Management (TBM) program.

- The April NPFMC motion on GOA TBM which brings a new focus on the western GOA communities and fishermen.
- A survey team will visit Sand Point and King Cove to talk with trawl participants to gather data before the TBM program.
- A NPFMC outreach group will be in Sand Point May 13<sup>th</sup> to meet with fishermen.
- Senate staff has requested comments by May 2<sup>nd</sup> on the discussion draft of the Magnuson-Stevens Act Reauthorization. AEB will be submitting comments.
- ADF&G received an application to perform a genetic study on salmon this summer on the north Peninsula, outer Port Heiden area.
- ADF&G manager in Sand Point, Aaron Poetter will be moving on to a different position and there will be a new local manager this summer.

Paul said at May meeting he suggested a resolution about the Magnuson-Stevens Act Reauthorization, time might be opportune. The Resource Director will be putting some comments together before the deadline, any input is welcome.

Reports and Updates:  
In packet.

RESOLUTION 14-18

M/V Tustumena Replacement Project

WHEREAS, the Alaska Department of Transportation is designing the M/V Tustumena replacement vessel; and

WHEREAS, the M/V Tustumena is one of two ocean class vessels that the State of Alaska operates; and

WHEREAS, the M/V Tustumena is an extremely important transportation link between Homer and Kodiak, while also serving a total of 13 ports of call all the way to Unalaska, including 5 of 6 Aleutians East Borough communities; and

WHEREAS, while the preliminary design of the replacement shows improvement of service to all communities; however improvements in the design should increase vessel speed, vehicle capacity, loading and offloading efficiency; and

WHEREAS, similar ferry designs worldwide show improved features;

NOW THEREFORE BE IT RESOLVED that the State of Alaska Department of Transportation working with the selected design team review other options, and/or contract a peer review of the M/V Tustumena replacement to insure the most value for the state; and

BE IT FURTHER RESOLVED that the State of Alaska reviews the cost effectiveness of building dedicated ferry terminals in some communities.

PASSED AND APPROVED by the Aleutians East Borough on this \_\_\_\_\_ day of April 2014.

Memorandum

To: Mayor Mack and Assembly Members  
From: Ernie Weiss, Natural Resources Director  
RE: Resolution to honor the service of NPFMC chair Eric Olson  
Date: May 8, 2014

Mayor Mack and Assembly

The June 2014 meeting in Nome of the North Pacific Fishery Management Council will be the last for Chairman Eric Olson. He will have served 3 full terms on the Council and is termed out this year. Many of you may know Eric. If you don't, I can tell you that his leadership will be missed at the council but I wouldn't be surprised to see him run for other leadership positions in the state or beyond. The attached resolution is for your consideration. I will be at the Nome meeting as a member of the Advisory Panel and would present the resolution personally, if you choose to adopt.

For your information – the June NPFMC Agenda, available at this link:

[http://legistar2.granicus.com/npfmc/meetings/2014/6/893\\_A\\_North\\_Pacific\\_Council\\_14-06-02\\_Meeting\\_Agenda.pdf](http://legistar2.granicus.com/npfmc/meetings/2014/6/893_A_North_Pacific_Council_14-06-02_Meeting_Agenda.pdf) has two items of particular interest to the AEB: C-3, an initial review to allow observers on tenders, has wide support, and C-6, an initial review of a specific BSAI crab Right of First Refusal (ROFR) contract item, also fairly non-controversial. Both items are scheduled for final action in October in Anchorage. The electronic version of the agenda at the link above is regularly updated with links to the documents as they are published.

**RESOLUTION 14-19**

**A RESOLUTION OF THE ALEUTIANS EAST BOROUGH ASSEMBLY HONORING ERIC OLSON FOR HIS YEARS OF SERVICE TO THE NORTH PACIFIC FISHERY MANAGEMENT COUNCIL**

**WHEREAS, Eric Olson served on the Advisory Panel to the North Pacific Fishery Management Council from 2002 until 2005 when he led the Panel as AP Chair; and,**

**WHEREAS, Eric Olson was first appointed to the Council in 2005 and again in 2008 by Secretary of Commerce Carlos Gutierrez, and for a third and final term by Commerce Secretary Gary Locke; and,**

**WHEREAS, Eric Olson was nominated to his three terms on the Council by three different Governors, Governor Frank Murkowski, Governor Sarah Palin and Governor Sean Parnell; and**

**WHEREAS, Eric Olson was unanimously elected to Chairman by the other members of the Council in 2007, and has served with distinction in that capacity until the present; and,**

**WHEREAS, the Magnuson-Stevens Fishery Conservation and Management Act § 302 currently dictates that no voting member may serve more than three consecutive terms on the Council; and,**

**WHEREAS, the Aleutians East Borough had hoped to witness the crowning of Eric Olson as North Pacific Fishery Management Council Chairman for Life; and,**

**WHEREAS, it is now apparent that the Reauthorization of the Magnuson-Stevens Act will not move through Congress quickly enough to achieve that designation.**

**NOW THEREFORE BE IT RESOLVED, the Aleutians East Borough Assembly honors Eric Olson for his dedicated service to Alaska fishing communities and his enduring stewardship of the North Pacific; and,**

**BE IT FURTHER RESOLVED, the Aleutians East Borough Assembly hereby thanks Eric for his years of service, his unending sense of humor and quick wit, and above all, treating each person with fairness and respect.**

**PASSED AND APPROVED** by the Aleutians East Borough Assembly on this 13<sup>th</sup> day of May, 2014.

MEMO

DATE: April 24, 2014  
TO: Mayor Mack and Assembly  
From: Roxann Newman, Finance Director  
SUBJECT: Fiscal year 2015 Proposed Budget

The assumptions that the FY15 budget are based on include:

Salaries of all full-time employees are estimated to increase by the COLA 3.5%.  
Fringe benefits increased accordingly.

Department budgets were held as closely to this year's budget as possible.

Assistant Administrator is the new position that was added to the budget.

Planning Commission was added as a new department.

King Cove Access Road Maintenance was added into Fund 01.

Sand Point School Pool Project was added into Fund 41.

**Aleutians East Borough**  
**Project List**  
**As of May 1, 2014**

**Completed Projects with Ongoing Issues**

False Pass Harbor

Harbor has been completed, but has not been closed out USACOE. There is an outstanding claim by the contractor Kelly-Ryan. Future costs could include litigation costs and settlement costs which are unknown at this time.

King Cove School

AEB has a claim against the contractor and architect for construction defects and damage as a result of water leaks.

Currently incurring legal costs. Future costs could include damage repairs and ultimate fix.

Akutan Harbor

Akutan Harbor has been completed by the USACOE. We are currently waiting for completion and final billing (two to three years, if no construction claim) for AEB's portion of the construction costs, currently estimated to be approximately \$3.8 million. No funding has been identified for the final payout to the USACOE. Possible funding source would be bonds or debt with USACOE.

**Current Projects with Partial Funding**

Akutan Harbor Floats

Current project entails the construction of an A & B float system estimated to cost \$6.2 million. AEB currently has \$3.1 million for construction and another possible \$300,000 in the FY15 State Capital Budget provided that the funding is not vetoed by the Governor. Funding currently in place includes a \$1 million EDA grant that requires construction to start by July 3, 2015; \$1 million AEB Akutan Harbor Bond Funds; \$750,000 in APICDA funds (subject to final approval from APICDA) and \$350,000 in City of Akutan Funds (City funds are subject to final approval from the City).

### King Cove Access Road

Currently AEB has a \$2 million dollar State grant with approximately \$1.95 million balance that can be used for expenses related to the King Cove Access Road all the way to the Cold Bay Airport, including any litigation costs.

### Nelson Lagoon Erosion

AEB has received \$238,800 from the Coastal Impact Assistance Program to conduct a Coastal Erosion Study. A preliminary design for a mitigation measure should result from this effort. There are not any funds set aside for final engineering and construction.

### Akutan Airport Dock & Breakwater

There is at least \$3 or \$4 million through the Akutan Airport Co-Sponsorship Agreement (CSA) to use for design and construction. AEB has requested USACOE and ADOT assistance.

### Cold Bay Clinic

The Cold Bay Clinic is estimated to cost \$5 million, which includes construction and equipping the facility. We currently have \$500,000 appropriated through AEB funds.

### Cold Bay Dock Repairs

Currently this project has approximately \$1.4 million for dock repairs. This includes \$386,442 in Federal Highways Ferry Boat Discretionary Funds, \$96,611 in AEB and City of Cold Bay funds and approximately \$916,000 from the State of Alaska.

### Cold Bay New Airport Tarmac & Taxiway Construction

AEB has contributed \$225,000 and a \$2 million Legislative Grant towards this project which is estimated to cost approximately \$3 million. ADOT believes it can provide the remaining funds and is currently looking to combine this project with other runway work. Construction is currently scheduled for 2016, but could happen early in 2015.

## **Projects with no Funding**

### King Cove Harbor – Stub Breakwater

This project currently has no funding. AEB has requested the USACOE to assist with reviewing this project to determine the fix and estimated costs.

### Sand Point New Harbor Floats

No funding has been identified for this project.

According to a 2011 cost estimate installing Float A will cost \$5.5 million. There is an opportunity to apply for the FY2016 State Harbor Facility Grant but this would require a 50% match of \$2,750,000 or more.

### Nelson Lagoon Dock Repairs

No funding has been identified for this project.

### False Pass Harbor House

No funding has been identified for this project.

May reapply for the FY 2014 Community Development Block Grant requesting funds for the design portion of the project. The overall design cost is \$230,000 with \$172,500 in CDBG funds, \$47,500 in AEB funds and \$10,000 in City of False Pass funds.

### Sand Point Paving Road to Borough Offices

No funding has been identified for this project.

### **Community Requests for Funding:**

1. False Pass Dock Repairs--\$50,000
2. King Cove Waterfall Creek Power Project--\$500,000

Re: Request for donation

Dear Mr. Gifford,

Akutan Qigiigun Culture Camp has been very successful the past two years because of the community support and donations from a fine business, such as yours. I am in the process of planning the 3<sup>rd</sup> Annual Akutan Qigiigun Culture Camp which is tentatively scheduled for August 2<sup>nd</sup> – August 9<sup>th</sup>, 2014. I am requesting \$2,000 donation, or whatever amount you can.

The projected overall cost to conduct our 8 day camp will be approximately \$40,000. The funds will be used to purchase supplies and to support the camp instructors who will teach activities such as language, traditional drums & dance, basket weaving, and subsistence hunting/fishing butterfly construction and visor making.

Just as last year, the last day of Camp (Saturday) we will hold a potluck for the community of Akutan to showcase what we have accomplished. This year, I have asked that all instructors make something to donate and I plan on having a live auction at the potluck. This will help to off-set some of the cost of camp. I will also be inviting people from along the Alaska Peninsula and Aleutian Chain to come join us for the live performance, live auction and potluck, as the ferry will come in early morning on the 9<sup>th</sup> and head back north later in the evening. I will create a PowerPoint presentation and a copy will be sent to all contributors as a "Thank You" and to show what your contribution was able to help with.

Thank you for your time and consideration of this request. We look forward long-lasting collaboration with the Aleutians East Borough. Please do not hesitate to contact me at (907) 698-2300 or [akutanaleuttribe@hotmail.com](mailto:akutanaleuttribe@hotmail.com) should you have any questions.

Sincerely,

Josephine Borenin-Shangin  
Akutan Qigiigun Camp Coordinator

Enclosed: Camp Description & Rough Budget

## **Project Description & Rough Budget Overview**

The Akutan Traditional Council has agreed to oversee the Akutan Qigiigun Camp coordinated by Josephine Borenin-Shangin, tentatively scheduled for Saturday, August 2<sup>nd</sup>- 9<sup>th</sup>, 2012. Camp shall begin at 9am until 5pm. Lunch and snacks will be cooked at the Camp. All participants are invited to join the instructors for meals. All activities will be held at the Akutan School with the exception of the hunting and fishing which of course will be done in and around the Bay. The potluck will be held at the Safe Harbor Church on the last day, Saturday, August 9<sup>th</sup>. We will be inviting people from the region to join us on the final day to participate in the Presentation from the Akutaanam A&asniikangin, potluck and a live auction featuring artwork produced by the instructors who have agreed to donate. The ferry will arrive headed westbound at 5:30am where people can get off and spend the day in Akutan. The presentation and potluck will be scheduled for 4:00pm. They can then jump back on the ferry at 8:00pm eastbound.

The Camp is open to youth ages 5-18 and any adults who would like to participate. There will be no charge for participation, although, if you come to Akutan on your own you will be responsible for your own lodging and any travel costs incurred. An application will need to be submitted if you wish to participate. Those can be requested from the Akutan Traditional Council beginning June 23<sup>rd</sup>. These will be used for planning purposes only.

Josephine will hold a planning meeting on March 28<sup>th</sup> to solicit anymore ideas, questions or comments for improving Akutan Qigiigun Camp. Much support was shown and we look forward to many fundraising efforts throughout the summer. Letters for funding contributions have been sent out to a number of regional agencies as well as local agencies. We will be utilizing our local talent and have asked the instructors from the last two years, which they have all agreed. We do not have any locals for dance and regalia, which will be a big part of camp, so two outside instructors will be traveling to Akutan as well as Tina Gauen for basket weaving. Travel in and out of the Aleutians is difficult, at best, and is also expensive.

### **The activities with instructors are as follows:**

- Sally Swetsof of Atka will be teaching regalia sewing as well as beaded headdresses (Tentative)
- Tatiana Petticrew of Atka will be teaching dance
- Tim Shangin will instruct Aleut bentwood visors
- Tina Gauen will teach basket weaving
- Tom Bereskin has agreed to teach Aleut Butterfly building
- Lydia Vincler will teach traditional drum making

- Josephine Borenin-Shangin will do language classes
- Tim Shangin, Ray J. Vincler, Tom Bereskin & Antone Shelikoff will be the hunting/fishing guides
- Zenia Borenin Cook for snacks & lunch

Rough Budget:

\$4000.00	-	\$1000 (approx.) per 1 regalia x 4 (new) + alterations on previous regalia
\$7875.00	-	\$125/day x 7 days x 9 instructors
\$1000.00	-	headdress supplies
\$2000.00	-	Food cost
\$3500.00	-	Travel for instructors ANC-KQA-ANC (approximate- prices may vary)
\$2000.00	-	4 skiff rentals \$500 flat rate each
\$ 500.00	-	Gas/oil for skiffs
\$ 500.00	-	Drum making supplies
\$1200.00	-	Lodging for 2 instructors
\$1000.00	-	Bentwood visor materials
\$ 750.00	-	1 cook x 6 hrs. /day x 7 days (+ clean up after Camp)
\$15000.00	-	Travel Scholarships x 10 at \$1500 r/t per person (approx.)
\$ 675.00	-	Miscellaneous (wiggle room)

April 17, 2014

Dear Mayor Mack,

Ang! It's that time of year again to start preparing for our annual Culture Camp. This will be our fifteenth year of having Culture Camp in Sand Point. The dates for camp this year are, July 14, 2014 through July 24, 2014. Camp will start at 9:00am and end at 9:00pm, Monday through Saturday the first week and Monday through Thursday the second week.

For the past fourteen years, Qagan Tayagungin Tribe has worked cooperatively with the US Fish & Wildlife Service, The Aleut Corporation, Shumagin Corporation, Unga Tribe, Aleutians East Borough, City of Sand Point, Trident Seafoods, Peter Pan Seafoods, Eastern Aleutian Tribes Inc., and Aleutian/Pribilof Islands Association, as well as, various other businesses and organizations in the Aleutians to provide funding each year for Culture Camp to provide the Unangan youth and community members with a cultural education.

Last year's camp was very successful with 85 students from grades Kindergarten through twelfth grades and about 40 adult community members, who participated in Culture Camp events. It takes a considerable amount of money to fund this camp in our community each year. We hope you will continue to generously support the Sand Point Culture Camp with a donation of \$7,000 which we can apply to expenses for camp.

Please assist us to continue teaching our Unangan youth about their culture and traditions which helps them grow into strong Unangan adults, knowledgeable in their culture and traditional values and skills, helping to continue keeping our culture alive in our community.

Thank you for your time and support for the Sand Point Culture Camp.

Sincerely,

A handwritten signature in black ink, appearing to read "Tiffany Jackson".

Cold Bay EMS  
PO Box 82  
Cold Bay, Alaska 99571  
April 28, 2014

Aleutians East Borough Mayor and Assembly Members,

The Cold Bay Silver Salmon Derby is an annual event that is typically held on Labor Day weekend. The event is sponsored by the Cold Bay Emergency Medical Services (EMS) squad and many sponsors including the surrounding communities, local businesses, and other contributors. These include Coastal Transportation, Pen-Air, Aleutians East Borough, Eastern Aleutian Tribes, King Cove Corporation, City of King Cove, City of Cold Bay, Bearfoot, G&K Inc., Cold Bay Post Office, R&R Guide Service, and the Cold Bay Lodge, to name a few. Without the support of sponsors the annual fundraising event would not be a success.

The budget for the event is approximately twelve thousand dollars and depends on donations from sponsors. Raffle items including a four-wheeler are purchased with the money and ultimately end up going into the communities through the winners who end up with the items. The four-wheeler is a sought after and well supported raffle each year with the drawing being held at the kick off event. Much time is donated by many volunteers throughout the planning of and during and after the fundraising event. All proceeds go towards EMS training and supplies to help ensure the Cold Bay EMS is trained and well prepared to assist when needed during an emergency in the community and when medevacs come through from the surrounding communities and the Bering Sea. This activity generates the majority of EMS activity throughout the year. The need to be prepared to assist in an aircraft emergency as Cold Bay serves as an alternate for overseas flights carrying hundreds of passengers per flight, with many scheduled per day, is also a priority. Cold Bay EMS Squad members also contribute in air transport when needed.

The money raised during the annual fundraising event is the main source of funds for the EMS Squad with other grant opportunities utilized when available. The well trained and prepared EMS Squad in Cold Bay is available for all who may need it and this includes any patient(s) in need. This benefits the entire Cold Bay Area, surrounding communities, and potentially hundreds as a just in case of emergency. In addition to fundraising, this annual event bring many people from the surrounding communities, across the state and even across the county for a fun filled, family event. During the kick off party, the EMS Squad members provide food for the attendees with raffles filled with prizes of fishing gear and donated money and goods for those in attendance. People wishing to donate their time man the "snack shack" during the derby weekend and serve those who may be hungry or those who may want to just warm up with some hot coffee or hot cocoa.

Some activities during the Salmon Derby include a raft race, tow rope competition, duck race, biggest salmonberry contest, and a two mile walk. These activities support healthy living and serve as great examples for alternates to substance use and abuse.

The Cold Bay EMS Squad respectfully asks for continued support in this essential fundraising event that benefits potentially all communities in the AEB and those who depend on the Cold Bay airport.

Thank you for your contribution.

Tara Ferguson  
Cold Bay EMS Volunteer

To whom it may concern;

It is that time of year again and the Sand Point Clinic Behavioral Health Department will be hosting a Choose Respect Mud Run on Saturday, May 24, 2014 at 2pm. This is going to be a community event to not only help raise awareness about domestic violence, sexual assault and child sexual abuse but to also bring families together. The "Mud Run" is going to be an obstacle course that will be in the trail from the school and ends behind the Unga Corporation. There will be a Domestic Violence Awareness presentation after the run, along with a barbecue and raffle at the Sand Point Clinic parking lot.

We are asking different entities if they are willing to donate prizes for the raffle during the event. Would it be possible for Aleutians East Borough to donate a barbecue grill and a raft for the event? Your donations and assistance will be greatly appreciated. We are also looking for some volunteers to help out. So if you know of anyone that would like to lend a helping hand for this event please let us know. Thank you for your time.

Sincerely,

Marcella De Costa

## Attachment 1

This contribution for a drug dog, not an attack dog, promotes the best interests of all AEB residents. The City of King Cove's Department of Public Safety would like to bring a drug dog into our community to help deter drug trafficking in our City. In part, this dog clearly sends a message that our administration has zero tolerance for drug usage and trafficking, and by its mere presence creates awareness in the community that our administration is taking this issue very seriously. This message will have a ripple effect to other communities

Many AEB communities share this same concern!

This dog will be trained along with one of our officers. There are very strict guidelines that our officer is to follow in order to keep the dog safe and consistently ready for action. This dog will be under the verbal and /or hand signal control of the assigned handler at all times.

Police service dogs may be used to conduct consent searches, searches incident to arrest, searches pursuant to search warrant, or searches in exigent circumstances. Searches may be conducted in buildings (both commercial and residential), vehicles (cars, trucks, watercraft, or aircraft), fields and areas, baggage, mail, parcels, and any other search that the officer has legal authority to search.

The canine handler will apply a canine using due care based on the nature of the offense or call, action of the suspect, time of day or night, presence or action of third parties, and other information available to the officer. Police service dogs may be applied in many situations but at no time are innocent persons unreasonably endangered.

Please contact our Department of Public Safety for any further questions:

April 7, 2014

Dear Mayor Mack and Assembly:

This is a funding request for \$2000 to the Sand Point Teen Center. Thank you very much for the \$2000 donation last year. Thanks to the support from AEB and other entities, the Teen Center was able to continue to operate another year. It is a great success so far and this has made a positive impact in our community.

All Sand Point teens grade 7 through age 20 can participate, the monthly total of teens attending is around 320. The teens are enjoying a safe place to socialize and are participating in all the positive activities and events.

The teenagers are the future of Aleutians East Borough and we want to help build productive young adults for Aleutians East Borough's future and feel providing a good, safe environment for teens will have a positive effect on them.

The Teen Center operates solely on donations and fund raising is an ongoing challenge each year in order to keep the Teen Center operating. Your contribution will help us meet our payroll and purchase supplies.

The City of Sand Point is still providing the building for the Teen Center and will be putting in new flooring this year. Unga Tribe is still providing accounting and payroll services. We need continual funding support for operations and supplies. Other funding contributions for 2013 were from Unga Tribal Council, Qagan Tayagungin Tribal Council, City of Sand Point, Shumagin Corporation, and Sand Pt. Silver Salmon Derby. Donation requests will go out to all the entities this year also.

Once again, we are asking you to donate to our Teen Center and thank you in advance for any support you give.

Sincerely,

Tina Anderson

Teen Center Committee Member

To Whom It May Concern:

As you know, Easter is just around the corner! In recognition of this, we would like to start a new tradition.....the Easter Bunny Boulder. It will be a hunt for a rock similar to the Jingle Bell Rock, but be Easter themed.

This letter is asking for a donation of 100.00 to fund this event. With the help of you, and other community contributions, the goal is to reward the finder with 500.00. If you are willing to donate, please contact Amy Mack @ 497-7006 by Friday,

The community of King Cove is always striving to keep tradition and coordinate events to keep its members entertained in a fun and healthy way.

Thanks for your considerations, and I hope to chat with you soon!

To whom it may concern,

We, the kids of Nelson Lagoon School, are raising money for our school trip to Seattle April 19<sup>th</sup> through the 26<sup>th</sup>. Each year APICDA grants their fishing community schools \$12,000. This year's proposal is to take us down to Seattle so we can visit the APICDA office, Cannon Fish, which APICDA merged with recently, the PPSF office, Pikes Market, The Locks and many other great land marks and tourist attractions of Seattle. Unfortunately, with the cost of travel/housing and such we are in need of extra funds. We are asking for your help. This is a once in a life time opportunity for us and with your donation this will help us have the best experience a kid can have.

Sincerely,

Nathan Nelson

# REPORTS AND UPDATES

**To:** Honorable Mayor Mack and AEB Assembly  
**From:** Anne Bailey, Community Development Coordinator  
**Subject:** Assembly Report  
**Date:** May 5, 2014

### **Helicopter Operations**

- The helicopter has completed the Trident push. Between April 12 to 29, 2014 the helicopter moved 700 Trident employees.
- I have been consistently working on the logistics of the helicopter operation.

### **Conservation Easement Agreement**

One of the mitigation measures for the Akutan Harbor is to establish a 41.7-acre Conservation Easement. On May 5, 2014, Rick Gifford and I met with the City of Akutan and the Army Corps of Engineers to discuss this project further.

### **Read a Book – Watch a Movie**

On April 26, 2014, Sand Point Students participated in the Read a Book – Watch a Movie Program. This was a huge success. Fifteen kids participated in this fun activity. Thanks again to the Assembly for their generous donation last year towards this program.

### **Contract Information**

A list of active contracts that I am involved in are listed below:

- Alaska Chadux
  - False Pass and Akutan Harbor Oil Response Plan – Part 1 \$6,550
  - Oil Spill Response Plan – Part 2 Equipment Acquisition, Preparation and Staging for False Pass and Akutan Harbors \$55,000
- URS
  - Akutan Harbor Floats
- Harvey Consulting

**Gulf of Alaska Trawl Bycatch Management** (GOATBM)

The April motion of the North Pacific Fishery Management Council (NPFMC) to implement a catch share plan for trawl caught Pollock and Pacific cod in the GOA expands the plan to 6 pages from the previous 2½ page October motion, and now includes other target species. In addition to the updated proposed program, 2 other motions passed during the GOATBM discussion at the April meeting: a request to assess the possible use of a Community Fishing Association within the GOATBM, and a request to examine the use of adaptive management specific to the existing West Coast Trawl Groundfish ITQ program.

The Council also determined there is an immediate need to conduct ‘outreach’ to Western Gulf communities and fisherman, in order to explain the proposed program and to identify how Western Gulf stakeholders can provide meaningful input. NPFMC member Ed Dersham, NPFMC staff Sam Cunningham & ADFG Federal Fisheries Coordinator Nicole Kimball will be in Sand Point for meetings May 13-14. A public meeting from the Sand Point AEB office will be teleconferenced to AEB sites including the Anchorage office conference room May 13 at 10:30AM. KSDP may also broadcast the outreach meeting.

Impacts from the proposed program will be assessed using data collected before and after implementation. Electronic Data Reporting (EDR) for Gulf groundfish moved forward in April and will potentially begin baseline data collection in January 2015. An Alaska Fisheries Science Center social survey team has spent the past two weeks in Sand Point and King Cove to question trawl groundfish fishermen and direct support businesses, as part of a larger industry survey including Kodiak, Newport and Seattle participants. In the coming months I will be focusing the efforts of this department to collect socio-economic information specific to the Western Gulf for a September report to the Assembly, to inform your future input to the Council on GOATBM.

The state-waters issue, or how to allocate state fish in a federal program, is not addressed in the Council proposal, however the Joint Protocol Committee of the Board of Fisheries (BoF) and the NPFMC will receive an update of the proposed program at the May 21st Joint Protocol meeting. I was recently appointed to the WGOA community seat on the BoF Walleye Pollock Workgroup, formed in part to discuss a proposal to establish a state-waters pollock fishery. The workgroup will meet again in October. Stakeholders also have an opportunity to potentially address the state-waters issue out of the BoF meeting cycle by submitting an Agenda Change Request to the BoF by August 18. GOATBM is next scheduled on the NPFMC agenda for the October 2014 meeting.

**Oil & gas lease sale**

For the first time since 2007 the State received bids for the 2014 Alaska Peninsula annual oil and gas lease sale, 3 bids for 3 tracts. Last year the State added incentives for drilling exploration wells and conducting seismic exploration outside of the North Slope and Cook Inlet, so we expected some activity this year. Assembly member Gronholdt

and I attended the bid opening May 7<sup>th</sup>. Axullium Alaska Inc. bid on tract 802 totaling 880 acres offshore Port Moller. Novus Terra Ltd. bid on tracts 821 and 836 totaling 9400 acres near Nelson Lagoon. All bids were \$5 per acre. Official bid information will be posted at [dog.dnr.alaska.gov](http://dog.dnr.alaska.gov).

**Land conveyance**

Mayor Mack and I are scheduled to meet with Sandra Jensen, Municipal Entitlement Manager for Alaska Dept. of Natural Resources, Monday May 12<sup>th</sup> to discuss the AEB entitlement lands. Our certified entitlement is 7633 acres, of which 450 acres have been conveyed. I expect to make a report to the Assembly of all our selected/approved and conveyed lands later this year.

**Salmon**

Oral arguments will be heard May 29<sup>th</sup> in the Anchorage federal courthouse to determine if three salmon fishing areas will remain under State regulation, or go back to federal oversight: central Cook Inlet, eastern Prince William Sound and waters off the Alaska Peninsula and Unimak Island. The 2006 MSA reauthorization had the unintended consequence of moving these traditional state salmon fishing areas to federal control. Amendment 12 of the federal salmon fishery management plan, supported by the state and federal managers, went into effect last year to allow Alaska to again regulate these fisheries, and United Cook Inlet Drift Association then filed suit in January 2013. We believe the best interests of the AEB are served by keeping the Alaska Peninsula/Unimak Island traditional net salmon fishing area under State management.

The South Alaska Peninsula area salmon manager Aaron Poetter has accepted a position in the AYK region and as of this writing a replacement for his position here has not yet been chosen. Jeff Wadle, Regional Manager says the 2014 salmon management plan is near complete; we will post the plan at [www.aebfish.org](http://www.aebfish.org) as soon as it is available.

An application by the University of Washington to conduct a genetic salmon study in the Outer Port Heiden and Ilnik management sections of the North Peninsula is likely to be granted by ADFG this month. The study, if allowed, will use up to 8000 sockeye between June 1 and September 15 2014, and all salmon would be donated to food programs. A copy of the ADFG Fish Resource Permit Application by Chris Boatright, UW, can be found [here](#).

# Aleutians East Borough April Legislative Report - Extra Innings!

By Mark Hickey, Borough Lobbyist

(NEW INFO IN BOLD TYPE)

A Monthly Report

April 26, 2014

<b>Significant Issues</b>	<b>Passed Legislation</b>	<b>Failed Legislation</b>	<b>Education Package</b>	<b>Capital Budget Projects</b>
Page 1	Page 2	Page 4	Page 11	Page 12

## Significant Issues

**Municipal Revenue Sharing Program:** Municipal revenue sharing for FY 2015 is funded at \$60 million. The approved operating budget for FY 2015 provides \$53 million to replenish the revenue sharing fund, which reduces the level of funding in future years. **With the reduced amount of \$53 million, revenue sharing will be reduced by \$2.4 million to \$57.6 million for FY 2016.**

**PERS/TRS Funding:** The legislature approved a modified version of Governor Parnell's proposal to provide a one-time deposit of \$3 billion into the public employees' retirement system and the teachers' retirement system in lieu of the required annual payment required under the PERS/TRS cost share plan enacted in 2009. **House Bill No. 385 by the governor passed the legislature to implement portions of this proposal. The final decision puts \$2 billion into TRS and \$1 billion into PERS. The bill provides for additional state assistance contributions as a level amount for the next twenty-five years. The bill makes no change to the required payroll caps established under SB 125.**

**Education Package:** It took extra innings, but the legislature reached agreement on the governor's education package and passed HB 278. The bill provides \$300 million of education funding for the next three years, with about half put into a \$150 - \$50 - \$50 BSA increase and most of the rest going to districts outside the formula. **The NET INCREASE is about \$75 million per year, or \$225 million over the three years.**

After adjusting for previous one-time funding (e.g., \$25 million included in the governor's initial budget), this funding amount equates to a BSA-equivalent increase of around \$222 for FY 2015 compared to last year's funding levels, with slight increases over the next two years after that. **The Aleutians East Borough (AEB) is estimated to receive approximately \$313,025 in additional funding for FY 2015.**

**The school debt reimbursement program will change for 60/40 projects to a match rate of 50/50 after May 1, 2015.** The 70/30 rate remains unchanged.

Because of new language in the bill, the one-time funds outside the BSA will be included in the calculation to determine the maximum local contribution. Additional funds are provided for correspondence study, residential school stipends, and Internet broadband infrastructure. The secondary school exit exam is repealed.

**A more complete summary of included provisions can be found on page 11.**

**FY 2015 Capital Budget:** The passed FY 2015 capital budget (*SB 119*) contains several projects for AEB communities. **A complete list of these projects can be found on page 12 of this report.**

**Alaska Liquefied Natural Gas (LNG) Project:** Governor Parnell introduced *HB 177/SB 138* to implement the tentative agreement between the state, the three major producers (BP, ConocoPhillips & Exxon), and the pipeline builder (Trans-Canada Corp.) to proceed with a large diameter gasline running from the North Slope to a LNG facility/port site in Southcentral Alaska. Project costs could run \$45 to \$65 billion. The governor is proposing the state take an equity position of up to 25% in the project. **The final version creates the Alaska Affordable Energy Fund, which consists of 20% of the state's royalty after the Permanent Fund deposit. The purpose of the fund is to support energy infrastructure outside the Railbelt area. *SB 138* passed the legislature.**

**King Cove-Cold Bay Road Resolution - *HJR 30* by Rep. Bob Herron & 8 other members:** Resolution introduced after Senator Murkowski's appeal in support of the project during her annual address to the legislature. Requests Secretary Jewell to reconsider her decision and approve the Izembek land exchange and road corridor. **Passed the legislature without a single no vote - 34 to 0 in the House and 20 to 0 in the Senate.**

**M/V Tustumena Replacement:** No additional funding for this purpose is included in the approved FY 2015 budgets.

**Power Cost Equalization (PCE):** The proposed FY 2015 operating budget includes full funding for the PCE program.

**Renewable Energy Fund Grants:** The approved FY 2015 budget provides \$20 million to fund the Round VII projects. There are no projects for AEB communities on the projects list.

# Passed Legislation

The following bills of interest passed the legislature this session.

## General Municipal Issues

**ARDOR Program Extension - *HB 71* by Rep. Shelley Hughes (*R-Palmer*):** Extends the Alaska regional economic assistance program. A conference committee finally resolved this dispute with a proposal to re-establish the ARDOR program retroactive to last July. The program now sunsets in July 2016. **The amended bill passed the legislature and has been signed into law.**

**PERS Credit for Military Service - *HB 116* by Rep. Charisse Millett (*R-Anchorage*):** Allows peace officers or firefighters to use previous military service to satisfy the credited service requirement for normal retirement. ***HB 116* passed the legislature.**

**Municipal Taxation Of Tobacco Products - *HB 193* by Rep. Lance Pruitt (*R-Anchorage*):** Permits sharing of information between state and local jurisdictions to minimize tax evasion. ***HB 193* passed the legislature.**

**VPSO Firearms - *HB 199* by Rep. Bryce Edgmon (*D-Dillingham*):** Removes the prohibition in state law against a village public safety officer carrying a firearm. *SB 98* by Senator Donny Olson (*D-Nome*) is a companion bill. ***HB 199* passed the legislature.**

**Muni Tax Exemption: Mil Facility Zone - HB 223** by Rep. Doug Isaacson (R-North Pole): Allows municipalities to exempt from taxation property in a military facility zone for up to ten years. SB 134 by Senator Pete Kelly (R-Fairbanks) is a companion bill. **HB 223 passed the legislature.**

**Unmanned Aircraft Systems - HB 255** by Rep. Hughes: Establishes new rules relating to law enforcement use of drones and requires municipalities to comply. SB 136 by Senator Olson is a companion bill. **HB 255 passed the legislature.**

**AIDEA/Arctic Development Program/Fund - SB 140** by Senator Lesil McGuire (R-Anchorage): Creates an Arctic infrastructure development program and fund in AIDEA. The Aleutians are included as part of the Arctic. HB 288 by Rep. Bob Heron (D-Bethel) is a companion bill. **SB 140 passed the legislature.**

# Highlights of *HB 278*: Education Package Approved by the Alaska State Legislature

- \*\$300 million of education funding for the next three years, with about half put into a \$150 - \$50 - \$50 BSA increase and much of the rest going to districts outside the formula. This increase amounts to a NET INCREASE of about \$75 million per year, or \$225 million over three years.
- \*After adjusting for previous one-time funding and other factors, this funding will equate to a little over a \$220 BSA increase for FY 2015 over this year's funding levels, with slight increases over the following two years.
- \*The school debt reimbursement program will change for 60/40 projects to a match rate of 50/50 after May 1, 2015. The 70/30 rate remains unchanged.
- \*Any one-time funds outside the BSA will be included in the calculation to determine the maximum local contribution, thereby raising the local cap.
- \*Several changes were adopted to help public charter schools, including adding steps to the charter school application appeal process, new funding, transportation, and facilities aid, and lower size requirements. Another provision allows municipalities to exempt from taxation property used for a charter school.
- \*New provisions for correspondence study programs, including allowing them to buy nonsectarian materials from private or religious organizations. Also increases the state funding multiplier for correspondence students from 0.8 to 0.9 – this increase will go to districts, not directly to correspondence programs.
- \*\$5 million per year for Internet broadband infrastructure to bring school internet speeds statewide up to 10 megabits.
- \*The secondary school exit exam is repealed, with a requirement to take either the SAT, ACT, or WorkKeys before graduation.
- \*No changes to teacher tenure. Instead the state will conduct studies reviewing tenure and other education issues.
- \*No A-F rating system for schools. The state will stay with the current star rating system.
- \*Testing out of secondary school courses is allowed, limited to core subject areas.
- \*Slight increase to TVEP (technical and vocational education) funding. Extended for 10 years.
- \*Expansion of existing education tax credits, including allowing tax credits for spending on private and public elementary and secondary schools.
- \*Pilot program for middle school Science-Technology-Engineering-Math (STEM) education, with a sunset in 2017.
- \*Four studies are required by June 15, 2015:
  - \*Two comprehensive education funding studies conducted by the Legislative Budget & Audit Committee. One is to focus on the school size factor and the other one is to look at the school district cost factor.
  - \*A study by DEED on the benefits of using prototypical designs for school construction in both the Railbelt and rural areas of the state.
  - \*A study by the Department of Administration to present a proposal for a school district salary and benefits schedule, and recommendations on teacher tenure.

The Honorable Stanley Mack  
Mayor of the Aleutians East Borough  
P.O. Box 349  
Sand Point, AK 99661

Dear Mayor Mack:

I am writing this letter to formally request that the Aleutians East Borough (AEB) continue for five more years to provide tax relief related to 21,137,017 shares of red king crab processor quota and 7,542,670 shares of bairdi crab processor quota that Aleutia purchased in 2008.

Aleutia depends on the Borough's annual tax incentive related to this crab processor quota to continue operations.

Aleutia purchased the processor quota shares after the Maruha Group and Nichiro Corporation merged in 2007 in a deal that included Peter Pan Seafoods and seven other seafood companies. Under federal rules the newly merged company, Maruha-Nichiro Holdings, was required to divest itself of a portion of its crab quota after the merger. It opted to sell about 30% of its King Cove-based red king crab shares and a portion of its bairdi crab shares to meet the federal government's cap restrictions.

Aleutia took an unprecedented step when it stepped in to purchase the quota. After much discussion, with encouragement from the AEB, the Aleutia board chose to take action so it could halt any potential movement of the quota out of the Borough.

Since the purchase, Aleutia-owned quota has successfully brought crab vessels and associated financial benefits to the AEB. These include shared fisheries tax revenues from the State of Alaska and related revenues generated to businesses in the region.

Aleutia is a grassroots organization that works with minimal staff and a modest budget. It is committed to holding on to this quota in the long-term to ensure its continued use as an asset for the community's benefit. I hope the Borough will continue to help.

Thank you for your consideration,

Stanley Mack, Mayor  
and Members of the Assembly  
Aleutians East Borough  
P.O. Box  
Sand Point, AK 9966

Dear Mayor Mack and Assembly Members:

Thank you for your consideration in possibly increasing the Student Activities Budget line item for Close Up. We have been working very hard to raise the matching funds for this donation and we are excited to hear the amount might increase. As you know the travel costs and program costs over the last several years have seriously increased the amount of money needed to participate in this program.

To make the program a reality this year we will have to raise \$38,295 for program and travel costs. Our community has been very supportive and has helped us to raise almost three thousand of dollars in the last few weeks for Close Up participants; in addition to a donation of \$25,000 air miles from Shumagin Corporation. This was added to funds raised earlier in the year. We are asking the community to step up again with weekly bake sales, carnivals, car washes, movie nights, dinners, raffles, and more scheduled over the next 40 weeks. However, this is about the largest amount of money we have ever had to raise for this program. The following year's 2016 group will also face about the same fundraising hurdle with similar participant numbers. Therefore, any additional help the Aleutians East Borough can give us in this year's budget cycle is greatly appreciated.

We will put any donation / matching funds you can share to good use supporting our effort to participate in this opportunity to look at how our democratic nation is run, and the history of our country. We will work to honor you in our community, and in our region through our program participation reports in local papers, regional web news, local radio station, and weekly school news to help make everyone in our community and region aware of your kindness, and of Aleutians East Borough's generous support.

Thank you again for your kind consideration in increasing your student activities budget for Close Up. Thank you also for your continued support of Sand Point School and our Close Up Program.

Sincerely,

Sand Point School Close Up Group 2015
